

Make the Right Storage Choice for Your Boat Now!

Reliability

We maintain a schedule for haulouts and launches- and we stick to it. This means there is no problem getting your boat when you want it! The same goes for our Service Department. We don't make promises we can't keep.

Security

Year-round, full-time operation. Night security patrols. Keypad entry gates. All to provide you with the utmost security.

Convenience

There's no need to drive great distances to visit your boat. Our location right off I-95 and US 40 means we're a short drive from almost everywhere! In addition, a wide variety of other goods and services are available right here in Havre de Grace.

No Hidden Costs

Some yards quote a low initial price, then pile on the "extras." Our one low price for haulout, power wash, storage, and re-launch assures what you're going to pay UP FRONT. We even offer up to a week's free dockage both Spring and Fall.

Do-It-Yourselfers

Like to do your own work? You won't find a yard that is more friendly to Do-It-Yourselfers. From lending dustless sanders and getting your parts on site, to providing expert advice, we're here to help get you through.

Discount Marine Supplies

What could be better than a discount marine store in the middle of a marina? Whether you're winterizing or doing a major upgrade, our store is ready to help you with the products you need to get the job done.
